Christmas Eve Candle Light Celebration

The Orchard Candle Light Christmas Eve Celebrations will take place from 5:00 to 6:00 pm and 6:15 to 7:15 pm on Sunday, December 24th. The evening will be dedicated to the Praise and Worship of our Lord and Savior Jesus Christ. This Event will truly be the highlight of your family's Christmas season. The celebration will include the participation in the Lord's Supper and the Lighting of The Candles.

There is no more impressive moment than that time when the Family of God participates in the Lord's Supper. During the Christmas Eve Celebration that meaning reaches new heights. Our thoughts are pointedly focused on the Savior and his Wonderful Gift of Love.

Lighting the candles finalizes the evening event. Each attendee shares in receiving and sharing the candle's light symbolizing the reception and sharing of the Light of the World, Jesus.

Adult Studies

For Men & Women

"To The Ends of the Earth"

Led by Pastor Terrell Berry, at the Moraga Campus.

This study will challenge you to let God give you heart for the people He loves and to participate in His global redemptive mission.

Whether you are training to go on a mission trip, being equipped to serve on your church's missions team, or participating in a study group, "To the ends of the Earth" will help you cultivate a heart, a vision, and a passion for the global mission task.

"The Lady, Her lover and Her Lord"

For Women

Led by Jenifer Butler, at the Moraga Campus.

Have you exhausted yourself traveling through the daily routine of life? But, have you yet to reach your destination. Come and explore God's purpose for women, our role as a wife and how to stay Christ centered in our busy world. Now is the time for us to take an active role in ushering the presence of God into our marriages and church. This class is applicable to any lady who is married or still looking for Mr. Right who has a desire to awaken her God given role as a woman.

"Prayer"

For Women

Led by Muriel Berry, at the Moraga Campus

This class will spend time in prayer and will use the "Lords Prayer" as a model, as well as, other biblical verses. We will put into practice applying the names of God as recently taught by Pastor Terrell. We will learn to pray through issues, to get victory in our daily lives, to hear God speak to us, and to experience power in our lives. This class will be intimate, yet awesome!

"Running the Race"

For Young Adults

Led by Jeff Hohnstine, at the Moraga Campus

This study from the book of Philippians, takes a small group study deep into the realities of what it means to be a believer in a world that most often rejects the gospel.

Youth Bible Study

Looking Forward to the New Year:

"The Creation Book"

In the New Year, we will start a life changing study on Creation. This study will introduce students to the literal seven-day creation concept in a straightforward way with a strong emphasis on Genesis 1:27. The animals, in particular- God's Creation- will be examined from an interesting perspective that challenges the theory of evolution and focuses on what the Bible says about the origin of human life. Don't miss this opportunity to deepen your understanding of God's plan and power...from the beginning.

Following the Creation study we will be taking a "field trip" to the Institute of Creation and Research in San Diego.
