Roots Youth Ministry Presents:  
Student Life Mission Camp 07  
At  
California Baptist University  
July 31 – August 4

For many students, both Christian and not,  
nearly their entire life is presented as  
**preparation for something else to come.**  
**Everything is about what's to come.**  
Student Life Missions Camp exists to help  
students gain a proper understanding of **their  
identity in Christ**, so they can realize that  
**God is at work in their life right now.**  
Students will gain a deeper understanding of  
how to **live a life in relationship and on  
mission with Him-** in their present  
circumstance. **God is calling us**, all of us -  
young and old, child, youth and adult to a **life  
in and with Him. We have to choose**  
whether or not we are going to live that life.

Join us on Mission with God this summer  
so we can experience together what it  
means to be a **Follower of Christ ...no  
matter the age, no matter the cost, no  
matter the call! This isn't practice. This  
isn't rehearsal. This is it...Here and Now!**
