A video-based church study campaign

40 Days of P.E.A.C.E. is a church wide campaign to bring all Christian together for the purpose of world peace.

This study campaign, written by Rick Warren, introduces –five pervasive problems (global giants) that affect billion of people.

1. The first global giant is spiritual darkness
2. The lack of servant leaders around the world
3. Poverty
4. Disease
5. Ignorance

These huge problems can only be addressed with total dependence on God and with all Christians around the world working together to confront them.

Assist Katrina Victims

Most recently, The Orchard hosted Disaster Relief training classes through the Southern Baptist Convention. Those who attended these classes received certification enabling them to participate in current and future disasters relief efforts. The goal of the Orchard's leadership is to send a team, of those certified, on a trip to the Gulf South to assist the Katrina Victims. The trip is planned for the spring of 2006.
