Guest Speaker

The Moraga Rd. Campus

Sunday, September 17th Both Services

Born on the North Side of Chicago, Ron DiCianni grew up in an unlikely area to produce a talented artist. After attending the American Academy of Art in Chicago, Ron embarked on a career in commercial illustration. Quickly recognized as one of the nation's most talented illustrators, Ron's client list was soon dominated by the top companies in America.

One passion still overshadowed that success... the desire to reclaim the Arts for Christ. In 1989, he produced the painting that started a revolution... *Spiritual Warfare*. What began with one painting led into a whole market for Christian art products ranging from lithographs to books and a wide variety of derivative products.

No stranger to the book industry, Ron has collaborated on over 50 book projects and is a five-time winner of the Gold Medallion Award for Excellence in Christian Literature. These projects have generated multiple millions of copies in print and have been translated into languages all over the globe. With numerous awards for both his work as an author and as an artist, the response from the Christian and secular market to Ron's work continues to be overwhelmingly strong.

Don't miss this incredible opportunity to hear the Testimony of Ron DiCianni's Life, as he explains how Christ works through him to reclaim the Arts.

A Night Of Praise & Prayer!

Sunday, September 24 6-7:30pm

A night of praise and prayer has been set apart for Sunday night, September 24 because we believe prayer must be a priority in our ministry. To continue to be a thriving, growing and impacting ministry we must give ourselves to the place of prayer. Prayer matters, for it brings about "change" that glorifies God. Dr. S.D. Gordon was right when he said;

"You can do more than pray after you have prayed, but you cannot do more than pray until you have prayed..."

God desires and needs our participation with Him in the place of prayer. He limits Himself in this world to work through human instrumentality to accomplish His Kingdom Purposes. That makes prayer a necessity. John Wesley said;

"God does nothing on the earth, save in answer to believing prayer"

If we believe that... We will pray more and with greater faith. On this occasion of "A Night of Praise & Prayer" we will focus on four areas of intercession.

1. Praying for God's Kingdom to come in Temecula. *Matthew 6:10*
2. Praying for the needs (supply) of resources to prepare for a Harvest of Souls. *Matthew 6:11*
3. Laborers for Harvest, then God will raise up gifted anointed servants to be prepared to bring in a Harvest. *Matthew 9:38*
4. The rapid spread of the Word of the Lord. *II Thessalonians 3:1*

Our prayer, linked to these biblical priorities will make a difference. Our theme for 2006 has been "It's Time To Make A Difference." Prayer... our attitude about it ... Our participation in it is the "Difference Maker."
